Identity

Let them be as Noun - Plural,

always Verb - Base Form, Verb - Base Form, Verb - Base Form, Verb - Base Form,

but Verb - Base Form to a Proper Noun .

I'd rather be a Adjective, Adjective Noun,

clinging on cliffs, like an eagle

wind-wavering above high, jagged rocks.

To have broken through the surface of stone,

to live, to feel exposed to the madness

of the vast, eternal sky.

To be swayed by the breezes of an ancient sea,

carrying my soul, my seed,

beyond the mountains of time or into the abyss of the bizarre.

I'd rather be unseen, and if

then shunned by everyone,

than to be a pleasant-smelling flower,

growing

in clusters in the fertile valley,
where they're praised, handled, and plucked
by greedy, human hands.

I'd rather smell of musty, green stench
than of sweet, fragrant lilac.

If I could stand alone, strong and free,
I'd rather be a tall, ugly weed.
