A Day In the Life of a Yama Chanich/a

Today, I started my day with Ulpan. It was very and I really enjoyed it. My teacher told me that I was really a lot and I got an % on my test. After that we had a time at section meeting. Nadav said something really funny. " Sarcasm cause ." Liat was actually . I them both. I am really looking forward to tonight. My friends and I plan on going to . Tomorrow on Siyur we are going to the in . The funniest thing that happened yesterday was when . I really feel like my time on Year Course has been very and I cant wait to see what the rest of the year will be like.

Love,
