# Once there was a man...

Once there was a man who worked at a           Noun           store. He really liked           Noun - Plural          , he  
          Verb - Past Tense           them everyday. One day he slipped on an           Noun           and broke his           Part of            
Body          . To this day he does not           Verb                     Noun - Plural           anymore.
