

I saw her standing there

1. Number
2. Pronoun
3. Noun

I saw her standing there

Well, she was just Number

You Pronoun what I mean

And the way she Noun was way beyond compare

So how could I dance with another (Ooh)

When I saw her standing there

Well she looked at me, and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another (Whooh)

When I saw her standing there

Well, my heart went "boom"

When I crossed that room

And I held her hand in mine...

Whoah, we danced through the night

And we held each other tight

And before too long I fell in love with her

Now

I'll never dance with another (Whooh)

Since I saw her standing there

Well, my heart went "boom"

When I crossed that room

And I held her hand in mine...

Whoah, we danced through the night

And we held each other tight

And before too long I fell in love with her

Now I'll never dance with another (Whooh)

Since I saw her standing there
