No more Noun - Plural. No more Noun - Plural. No more work to be done.

So, in no time, my Noun - Plural and Noun - Plural, every one,

all waved me good-bye. They jumped into my cars

and drove away under the Adjective stars.

Now all that was left 'neath the Adjective smelling-sky

was my big Adjective Noun...

the Proper Noun...

and I.

The Proper Noun said nothing. Just gave me a glance...

just gave me a very Adjective, Adjective backward glance...

as he lifted himself by the seat of his pants.

And I'll never forget the Adjective look on his face

when he heisted himself and took leave of this place,

through a hole in the smog, without leaving a trace.

And all that the Proper Noun left here in this mess

was a Adjective pile of Noun - Plural, with one word...

"UNLESS."

Whatever that meant, well, I just couldn't guess.
