Woman Like You (Lee Brice song)

Last night, outta the blue							
Drifting off to the evening							
She said "Honey, what would you do							
If you'd never Verb - Past Tense me"							
I just laughed, said "I don't know,							
But I could take a couple guesses though"							
And then tried to dig real deep,							
Said, "honestly,							
I'd do a lot more Adjective Verb - Present ends in ING							
I'd probably eat moreAdjective							
Take a few strokes off my							
If I'd have never known your name							
I'd still be Verb - Present ends in ING that Adjective Adjective Noun							
I probably never would have heard of							
Be a better fan							
But if I was a single							
Alone and out there on the loose							

Well

I'd be looking for a like you."						
I could tell that got her attention						
So I said, "Oh yeah, I forgot to mention,						
I wouldn't trade a Adjective Noun						
For a hundred Noun - Plural the other way."						
She just verb - Past Tense and rolled her Part of Body,						
'Cause she's verb - Past Tense all of my Noun - Plural						
I said, "Come on on girl, seriously						
If I hadn't been soAdjective						
I'd be shooting in my bachelor pad						
Verb - Present ends in ING Noun - Plural in my Location						
Verb - Past Tense up Adjective Noun						
Verb - Present ends in ING Noun - Plural every Tuesday night, yeah						
I'd have a Adjective in the shed						
And not one Adjective on the bed						
I'd keep my in a coffee can						
But if I was a single						

Alone

and	Out	there	on t	he	loose
411(1	OIII	mere	OIIII	110	10080

Well I'd be looking for a _____ like you."
