WUU

Once upon a time there was group of Adjective folks who wanted to come together to create a Noun. They created WUU in 1989, a day we call Proper Noun Sunday! Every year since then we add a Adjective marker to our Adjective path, which is up near the Noun. Now, in 2016 we have classes in Proper Noun - Plural, we have classes in Proper Noun, we have Noun game night, we have Proper Noun Potlucks, and so many more things. What do you imagine happening here at WUU in the Noun?
