Once Upon a Mad Lib

Once upon a time, there was a Adjective lady who lived in a Adjective house. The lady was very Adjective and could not remember things. One day, she could not find her Noun - Plural. She looked Adverb and she looked Adverb all day long. She even looked inside the Noun. Finally after a long day, she sat down on her favorite Noun and said, "Here it is! It was under the Noun!" And she lived Adverb ever after. The end.
