A life with Landon

At school today, Landon walked with me to his house. He said "its gonna be crazy at the house cause Carson,

Jay, and a First Name of a Person other boys are over." I said, "That's fine with me." So when we

First Name of a Person there, Landon told Ellie to put her pants back on, and as for Lincoln, I picked him up

and got him off the fridge. The boys went to bed and Landon slept on the couch. I just slept on the other couch.
