Trump Libs

Donald Trump speech transcript --

Alright. Wow, the people of _____Name a State_____ are great. I love this state. I have many friends here.

My first day in office, we're going to build the wall. You wanna know why? Because _____Name a Country_____ is sending all its rapists and drug dealers here. These are not good people. But I love the _____Name the People of that Country_____ people. I've hired plenty of them to work at my many buildings in _____Name an American city_____.

Have I mentioned how successful I've been in business? My success has been yuge. I've made way more money than _____Name a person_____ -- in fact, I've got a store in _____Name a State_____ worth more than that loser. Speaking of losers, let's talk about _____Name a person_____. I've made a hell of a lot more money than that loser too.

That brings me to _____Name a Country_____. We need to stop trading with them. It's a whole nation of losers. Their leading export is _____Name a product_____, under a Trump presidency, America's leading export will be _____Name a better product_____.

I know the American people and I know they don't trust _____Name a religious group - plural_____. When I'm president we will ban all _____Name that same religious group_____ ... and come to think of it we will ban all _____Name a religious group - plural_____

too. I don't trust them. WHAT ARE THEY UP TO?

Also, the media are the biggest group of liars I've ever met. _____Name a newspaper_____ is the worst newspaper in the world. Go down to their office -- if they're still in business -- and tell them they're horrible.

Finally, I want to talk about _____Name a female celebrity or politician_____. She's the fattest _____Name an animal_____ I've ever seen. Have you seen that face? It's frightening. Not like my daughter Ivanka; now that's a sexy _____Name an inappropriate nickname for a woman_____.
