Choose your starter Mad Lib

Hello, I'm Professor Oak. I study Pokemon for a living. My dream is to record every Pokemon's data in an invention I have made called the _____
_____ to do it myself. Now, choose your starter Pokemon. Will you choose _____ mon, _____ mon, or _____ mon. So you choose _____ mon. That's a _____ choice. _____ mon has the ability to shoot _____ from his _____ and hide in his _____. Now, go complete my dreams and complete the _____ dex. Once you catch all _____ Pokemon in _____ balls (that you can see at any _____ mart), then please come _____ me as soon as you can so I can _____ your progress. Now, go start your journey, good luck!
