Honors Mad-lib

The shop keeper was very when the kid took the vase without paying. This Adjective
kid, just walked into the store at 3 p.m. From the street, this kid swept the vase right off the
shelf into his jacket. This was a act given it was broad daylight. The shop keeper thought this
act was rather committed by the poor kid. It could be argued that the act of stealing is
Chasing people who steal, has a terrible on the shop keeper. He is always
tired, and fed up. When people steal, the shop sales in revenue. If only these kids could stop
stealing and their acts. Then, shop keepers would verb their actions. For most shop
keepers, stealing is an act that should not be committed. When caught stealing, kids use
Noun explanations for stealing the item. Once caught, kids who steal become Adjective. Once a
kid confesses to stealing, the shop keeper becomes at the admission of guilt. Once stealing
stops, it the problem of lost goods. It's the shop keeper that loses against kids
who steal. Most shop keepers stealing and this bad type of behavior. It would be great if the kid
who stole goods would be for what he has done. Most of theses kids who steal are
in their reason for stealing. Shop keepers find most of these kids who steal are
to rules. When a kid finally admits he is wrong, it is a of achievement and
personal growth. Once this happens, the kid will no longer have for what he's done, and hopefully
never steal again. A police officer is usually the when things go wrong with shop lifters. It is of
importance to set these kids straight about stealing. Stealing is not a hobby, i

against the law. Going to jail for stealing can be one of the most _	Noun	_ points in life.
