My First Time in Australia

Last month I went to Australia for the first time in my life. I was so _____, all through the plane flight

I was _____ and _____ like total _____. The plane

landed and I suddenly felt the heat seeping into my _____. Immediately I regretted my decision

, knowing it was a _____ mistake. All around me I heard people saying "G'day" and I was sick of it

already. One guy even asked me for a cheeky nando sesh. I don't even know if I have ever been so cheeky in my

life. It made me feel like I wanted to live here forever. Flying QANTAS had _____ me, and

when I expressed this sentiment to the man next to me, and he said "HOW THE BLOODY HELL ARE YA? I

SEE YOU'VE PLAYED KNIFEY-SPOONEY BEFORE!" I was shocked out of my _____ because

I had simply tried to talk to him about QANTAS, and he'd replied in some _____ foreign language I'd

never heard? Knifey-spooney? What does that mean? Walking out of Nandos I _____ slipped on a

_____ silver bag. Later on I found out these are called "gooooon bags" and I was more

_____ with the country. I remember walking to the backpacker's motel in the _____

_____ and I witnessed all these Australians riding their kangaroos home from work. This man

standing by said to them "well haven't you done well!?" I had no idea what was going on. Turns out his name

was King Larrykin Wallaroo. He was the king of australia. When he saw me and realised I was from

_____, he decided to give me a tour of the country. "This is the bloody best pub I've ever been to, I

reckon you'd love it, bloody oath, struth, shrimps, barbie, get around it mate its grouse, the absolute bees knees if

I ever knew any" From that moment I felt my whole world _____. My body started

and I couldn't control myself anymore. In an excited yelp of emotion eg. joy I said "OATTTTH LETS GET DEADLY" As we Verb - Past Tense all night, I remember old Larry chucking me goon bag after goon bag and I thought it was bloody Adjective. I got smaaaashed mate. Smaaaashed. This is my home I reckon. Oath. Mate. Yeah nah nah yeah. Pingerz. Pie floater. Davo. Bazza. Tomorrow King Lazza is gonna take me to see the big banana and I can't wait. Oath.
