My First Time in Australia

Last month I went to Australia for the first time in my life. I was so, all through the plane flight
I was verb - Present ends in ING and verb - Present ends in ING like total The plane
landed and I suddenly felt the heat seeping into my article of clothing Immediately I regretted my decision
, knowing it was a mistake. All around me I heard people saying "G'day" and I was sick of it
already. One guy even asked me for a cheeky nando sesh. I don't even know if I have ever been so cheeky in my
life. It made me feel like I wanted to live here forever. Flying QANTAS had me, and me, and
when I expressed this sentiment to the man next to me, and he said "HOW THE BLOODY HELL ARE YA? I
SEE YOU'VE PLAYED KNIFEY-SPOONEY BEFORE!" I was shocked out of my becaus
I had simply tried to talk to him about QANTAS, and he'd replied in some foreign language I'd
never heard? Knifey-spooney? What does that mean? Walking out of Nandos I slipped on a
silver bag. Later on I found out these are called "gooooon bags" and I was more
with the country. I remember walking to the backpacker's motel in the time of
and I witnessed all these Australians riding their kangaroos home from work. This man
standing by said to them "well haven't you done well!?" I had no idea what was going on. Turns out his name
was King Larrykin Wallaroo. He was the king of australia. When he saw me and realised I was from
, he decided to give me a tour of the country. "This is the bloody best pub I've ever been to, I
reckon you'd love it, bloody oath, struth, shrimps, barbie, get around it mate its grouse, the absolute bees knees i
I ever knew any" From that moment I felt my whole world verb - Base Form My body started
Verb - Present ends in ING

and I couldn't control myself anymore. In an excited yelp of I said "OAIIIH LEIS GEI
DEADLY" As we verb - Past Tense all night, I remember old Larry chucking me goon bag after goon bag
and I thought it was bloody I got smaaaashed mate. Smaaaashed. This is my home I reckon.
Oath. Mate. Yeah nah nah yeah. Pingerz. Pie floater. Davo. Bazza. Tomorrow King Lazza is gonna take me to
see the big banana and I can't wait. Oath.
