Letter about conference

Dear Mom and Dad,

Thank you for coming to my student conference.I am writing this letter to show you what my regular school day is like and my academic goals and achievements.

Here is how a typical day looks for me. i get on the _____Noun_____ at 8:15 and talk to my friends, we arrive at school by 8:45. When I get inside school I get my _____Noun - Plural_____ for class.

Our periods rotate in blocks of two, I like this because I get different classes all throughout the day.Math, Social and Science are my favorite classes. La is okay too but it's not my fav.

After school I get on the bus and talk to all of my friends.I usually go to the gym just so i can stay on the bus longer, as i'm the first stop.

Some things I find challenging or frustrating are the student teachers that don't know how to mark quizzes.

My goal is to balance Football, Life, Family and School by the end of the year.It's hard to do homework and study with football after school, sp I try to get as much done as possible.Thank you for attending my student conference, and for helping me throughout the year.

Love,

Ben
