Dear \_\_\_\_\_ & \_\_\_\_\_ March, 10, \_\_\_\_\_

Thanks for coming to the student led \_\_\_\_\_. Usually in the morning I get my stuff and putting in my morning class. Then I hangout with my \_\_\_\_\_ tell the bell rings. My core class change periods each month so we get a little variety. The one I think am doing the best at is social since it just \_\_\_\_\_ in \_\_\_\_\_ note most of the time. One of my class am not so good at is math most likely but, I try to \_\_\_\_\_ and work on stuff I didn't get at home. At lunch I eat with my \_\_\_\_\_ and watch while were eating. At the moment me and \_\_\_\_\_ have \_\_\_\_\_ the basketball court out of boredom but its like two centimeters of ice so its hard to get it off. Some of my goals this year is to get straight A's so I can get into Advance Placement in high \_\_\_\_\_. To be a good student in general and get in doubles badminton team. After school I go home do my homework then do what i feel like for the rest of the night. Thank you again for coming to my \_\_\_\_\_ and I'll make you proud!
