Dear Mom and Dad

Dear _____ & _____,

I'm so glad that you _____ come to this _____ led conference because at least I'll have a reason to _____ this. Now I get to tell you what happens in an _____ day of my _____.

So first thing I do is walk into _____ like a complete _____ and on my way to grab _____ from my locker I say hi to some _____. After putting the _____ in a room or _____ it around with me I just kinda walk and talk with the rest of my friends until the bell _____.

With the period rotation right now I go to _____ first thing so at least my day can start off _____. After that and nutrition break I head off to _____ and _____, which are both pretty good. Luckily after that it's lunch and recess, which is when I get to talk to my _____ and all my other _____!

Finally it's nearing the end of the day where I just have to drag through _____ and _____ before its time to go _____. Normally neither of these are too hard so this part is actually not that _____ / _____.

Now the bell has rang and it's time to get ready to go _____, though I can't just grab my bags and run I gotta say _____ to _____. Normally there's just the _____ I gotta talk to and walk home with a couple of them, but now I give _____ a hug goodbye too.

My

goals this year are to continue to get good grades and to get into at least two AP classes in Noun. The other one I can think of right now is to not screw up any of my relationships this year.

The way I can hit these goals are to study Adverb and continue to actually do work in Noun and to try and stay a nice Noun.
