# My Time at Art Camp

Day 1- Once everyone had arrived and dropped their stuff off in their cabins, we all congregated in the Recreation Center. The camp director, \_\_\_\_\_ Name \_\_\_\_\_, was very \_\_\_\_\_ Adjective \_\_\_\_\_. She told us that they were trying something new this year by mixing amateur and professional artists together, but we should still treat each other with lots of amity, as we were all going to be one big \_\_\_\_\_ Noun \_\_\_\_\_ this week. After that, we were assigned our counselors. Mine was named \_\_\_\_\_, and I noticed that she had a bag full of \_\_\_\_\_ Noun - Plural \_\_\_\_\_. She seemed pretty \_\_\_\_\_ Adjective \_\_\_\_\_. Then we ate \_\_\_\_\_ Noun - Plural \_\_\_\_\_ for dinner and went to bed.

Day 2- Today we had our first lessons. Each day we get to do something new. I was assigned sculpting. We were tasked with the job of creating yarn sculptures, but my yarn got all tangled and I had to start over. I met this really \_\_\_\_\_ Adjective \_\_\_\_\_ girl named Carly during sculpting class. We complained the entire time about the clamor that the musicians, who were right next door to us, were making. After that we had to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ for 20 minutes to win a noun.

Day 3- Today I was assigned painting. I saw a \_\_\_\_\_ Noun \_\_\_\_\_ as I was walking to painting and I was really scared of it. We had to paint a picture of the first lunar \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ on the moon. My final product looked very \_\_\_\_\_ Adjective \_\_\_\_\_, so I mailed it to my Aunt Bessie. I won a prize for being able to declaim the most digits of pi. (I can declaim [\_\_\_\_\_ Number \_\_\_\_\_] digits of pi.)

Day

4- I was very \_\_\_\_\_ Adjective \_\_\_\_\_ to leave camp today. The benefits of this camp were intangible, such as me learning to be open to new ideas and to respect others. I will definitely come back next year as a counselor.
