# Scary stories can make the imagination run wild.

On \_\_\_\_\_ Adjective summer nights, Julio and the other boys sleep out in the yard. They put up a tent in a \_\_\_\_\_ Adjective corner, where the trees and bushes are \_\_\_\_\_ Adjective. That way the boys can easily imagine they are in \_\_\_\_\_ Adjective, uninhabited country.

One evening Mike suggested that they tell \_\_\_\_\_ Adjective stories or tales of bear hunts. After a particularly \_\_\_\_\_ Adjective story, Mike couldn't sleep; he was too nervous.

About midnight he saw something move in the shadows. "Yeow!" he cried out. "There is a \_\_\_\_\_ Adjective bear! It is really huge!"

In the sudden confusion, the \_\_\_\_\_ Adjective tent collapsed on top of the boys; each one seemed eager to go in a different direction. Anxious parents ran out of the \_\_\_\_\_ Adjective house.

They found a \_\_\_\_\_ Adjective dog. Like a bear, this animal was very curious. It was sniffing at the tangle of arms, legs, and bodies under the tent.
