LETTERZ

March,10/16

Yuri,M

Dear Mom & Dad,

Thank you for coming to my student-led conference. I am _____Verb - Present ends in ING_____ this letter to explain to you what school is like for me. I will tell you what a typical day is like for me, how _____Verb - Present ends in ING_____ are going and my goals for improvement.

Here is how a typical school day looks for me. I arrive at school around 8:26. I have all of my work already done so I don't have to do it at home because i don't want to do extra work at home. When the bell rings at 8:30 I get to see my teachers and classmates but most important my friends. I really only talk to my friends or teachers, mainly friends.

Our periods rotate in blocks of 2, i don't really care what happens as long as the day ends. Right now I am currently in 4 options, CTS, Gym, Rec Ed and drama. It's all right.

At Lunch I eat (you guessed it) lunch in my homeroom. After lunch I go outside and do whatever me and my friends wanna do. But very rarely i go inside and do homework.

After school, I leave around 3:30 and get on the early bus and go home, I normally don't do any homework or _____Verb - Present ends in ING_____ and just try to guess what we're _____Verb - Present ends in ING_____ tomorrow then play games

then I eat and play more games and go to bed.

Academically I am doing good although my spelling could do some work and i am not the best at paying attention. I also could get better at making friends but I am not that good at that.

I am pretty leaned back.

I have currently 2 goals in school, to get my marks up a little and too get better at _____Verb - Present ends in ING_____.

The reason I want to get my marks up is so that i can have all A's in my classes because it bugs me. The reason i wanna get better at _____Verb - Present ends in ING_____ is it is a very useful skill, whether i wanna draw art, make animations or create video games it comes in handy.,

To end I would like to thank both of you for coming to my conference today because you really didn't need too. I know you are busy too trying to take care of us and take care of FFIV. I'll keep _____Verb - Present ends in ING_____ _____Verb - Present ends in ING_____ you support me.
