# Letter to Mom and Jay

March 20th, 2016

Dear Mom and Jay,

Thank you for \_\_\_\_\_  
Verb to the student-led conference. This letter is to tell you what my \_\_\_\_\_  
Adjective day of school is like. I will also tell you about what I want to fix and what my goals are for the rest of the \_\_\_\_\_  
Noun year.

In the mornings \_\_\_\_\_  
First Name of a Person, \_\_\_\_\_  
First Name of a Person and I walk around the school until the bell rings. Since the period rotation is \_\_\_\_\_  
Number, I have options \_\_\_\_\_  
Adjective. On an A-day I have Learner's Driver's Education, then I have \_\_\_\_\_  
Noun class. On a B-day I have gym class, then \_\_\_\_\_  
Noun. In Learner's Driver's Education, we are learning the basics on how to \_\_\_\_\_  
Verb. In art class, we have been working on ceiling tiles and masks made out of \_\_\_\_\_  
Art supply. In gym class, we are doing cross country \_\_\_\_\_  
Verb - Present ends in ING and fitness testing. In drama, we are \_\_\_\_\_  
Verb on a play called General Valley Hospital.

I will be performing it tonight. Since term two will be ending very soon, I won't have these options.

After we have options we have our core classes. We have social studies \_\_\_\_\_, then we have science, then it's lunch, At lunch time, my \_\_\_\_\_ and I go and eat in either the classroom or the art room, depending on what day it is. After lunch, we go outside or work on our \_\_\_\_\_ in the art room. Once the bell rings to come inside we have reading period which is a \_\_\_\_\_ amount of time to read. After reading period we have math and la.

My goals this year are to get my grade in social up to an A and to have better grammar and vocabulary. I will \_\_\_\_\_ these by trying my very \_\_\_\_\_ and putting as much effort as I can. Thank you for \_\_\_\_\_ my letter and I hope you have a \_\_\_\_\_ night.

Love, Abby
