"The Flash" Mad Libs

Barry Allen had had a, strenuous day. He had been speeding around trying to catch Zoom, but
unfortunately, he was unable to do so. His red suit smelled, as he had spent a lot of time
sweating. He wished that he had some, but he had left his water bottle back at Star Labs. He
wished that Cisco could verb - Base Form it to him, but his powers didn't work that way. Barry
Verb - Past Tense before he sprinted back to Star Labs. He was sipping water within 2 seconds.
After he finished sipping his water, he to eat a snack of strawberries. As he was eating hi
snack, Kaitlyn came
stolen by Zoom. She was determined to bring him back, even if it meant speeding across the breach herself.
Iris strolled into Star Labs
neroic story of "The Flash",
sipping her sweet coffee as she smiled at Barry. Barry had told her that they were married on Earth 2, and she
wondered if that would happen here on Earth 1.
Just then, Dr. Harrison Wells walked into the lab, followed by his daughter Jessie. Jessie was upset about being
nere on Earth 1, as she missed her life back on Earth 2. Iris thought that she was being selfish, as she should be
Adjective that we was alive, instead of trapped on Earth 2 with Zoom. Once again, Iris found herself
wondering

st what had happened during the trip. She wondered what changes there may be on Earth 2 in herself, Joe,
Vally, and everyone else.
is watched as Barry entered the work out room, where he soon started sprinting. Barry was getting faster and
is watched as Barry entered the work out room, where he soon started sprinting. Barry was getting faster and
ster every day. He seemed to be by a new force.
