My Most Embarrassing Moment

Once upon a Noun , I had the most Adjective moment of my life. It happened one Saturday Time of Day while I was out on my date to the movies with my crush Name . We were both having a really Adjective time watching "Somewhere in Noun " which stars Celebrity and Celebrity . After the movie was finished, he took my Part of Body as we walked out of the theater and stepped out into the Adjective , Adjective outside. We shared a Adjective kiss before we went inside his Transportation . While we were Verb - Present ends in ING to his Transportation , the wind blew so Adverb , it nearly blew my wig away! At first, I was so Adjective ; I noticed many people staring at me, as my Part of Body - Plural grew Adjective and Color with Emotion . My crush asked me, "Do you want me to get it for you?" I told him, "No, that's okay, I'll go get it Pronoun ." My wig had Past perfect next to a river, and just when I reached out to Verb - Base Form it, the wind blew Adjective - Ends in ER again, causing it to fall into the river. So I called for help, and everyone watched as my crush swam to the Noun to Verb - Base Form my wig. Once he got it, he swam back to Noun , put my wig back on my Part of Body , and I thanked him by Verb - Present ends in ING him on his Part of Body . He then told me that I have such Adjective hair. I blushed, and giggled like a Noun .

I've had the most Adjective time of my life that night, but at least I learned an important lesson---always wear a Article of Clothing on a Adjective day to cover my head.
