# Miranda sings

One day me and my friend Miranda were walking to school when Miranda sings came up to us and gave us invitations to be on her YouTube Chanel and \_\_\_\_\_ Proper Noun \_\_\_\_\_ Miranda and me said YES but we screamed it so loud that our teacher came out and gave us \_\_\_\_\_ Noun \_\_\_\_\_ but then Miranda sings told her what had happened and why we screamed so she took away our detention after our teacher left Miranda and i thanked Miranda sings for saving us and for giving us the \_\_\_\_\_ Noun - Plural \_\_\_\_\_ then when we were about to leave she offered us a ride in her limo!

MY DAY WAS AWESOME!!!
