Stuttering Experience

I am a Noun who stutters. My stutter makes me feel Emotion . I think my stutter is

 Adjective . Sometimes I stutter Number times a day and when I stutter it sounds like

 Adjective . Sometimes when I Verb - Base Form other people Verb - Base Form .

When my classmates Verb - Base Form at me, I feel Emotion and want to Verb - Base Form .

Instead of getting Adjective when my classmates say Phrase , I could Verb - Base Form .

My teacher makes me feel Emotion about my stutter. During class presentations or when I participate in

class I get Adjective . But my teacher always Verb - Present ends in S me.

Most of my friends think that my stutter is Adjective . This makes me feel Emotion . When my

friends ask about my stutter, I usually Phrase . I think this is a Adjective answer.

At home, my mom and dad tell me I sound Adjective when I stutter. This makes me feel Emotion

. When I feel Emotion , I like to Verb - Base Form .

My speech teacher says stuttering is Adjective . At speech there are Number other people who

stutter. They are Adjective . Together we play Noun to practice our Adjective speech.

Even though we stutter, we are Adjective .

I am a Noun who stutters. I am Adjective .
