You Never See Me Coming

Proper Noun ran down the street. The Noun echoed in her head and she clutched her phone in h
hand. They knew where she was those Noun-Plural. They were once friends but now Noun-Plural
Noun - Plural . If she wasn't running she would scoff at the noun. Five years they were all close, but now
they turned on her. She had no idea Noun - Plural but they hold a grudge against her. Noun - Plural
cracked behind her and her legs quickened. One of them cried out behind her and snatched one of her
Noun - Plural .
Noun escaped her Noun - Plural as she collided with the ground, scrambling away from her old
friend that latched onto her, crawling forth. Her friend pulled back her head and pressed
something cool against her neck. But it was gone before her blood could be spilled. Another threw a
Noun into the girl's head. Proper Noun screamed as another Noun headed straight for
her own head but it missed. Proper Noun Noun - Plural closed in around her, snarling and laughing
at her.
She still did not know why.
