# New Addition

The little girl was so Adjective she was getting her first Noun. She begged her parents everyday until they finally said yes. She was able to pick out her Noun and she wanted a Adjective one. She was going to name her new Noun Olive since she was going to be a black Noun.

Once the little girl got her new Noun, she Verb - Past Tense with her outside all day long. She loved her Noun even though the Noun was a little bit Adjective. Her Noun chewed and Verb - Past Tense on everything. The Noun even ate the little girl's Noun. As the little girl got older and so did her Noun, the Noun wasn't as playful anymore. The little girl still loved her Noun and all of the memories they shared.
