# Practice Run

A long time ago, a           adj MS           Dalmatian puppy sat outside the fence at the school. The puppy loved watching the children play. He wanted to play with the children, but he was very shy.

One day, the puppy followed two children home from school. He curled up under a tree in the front yard to take a nap. Sparky wakes up from his nap. Suddenly, he woke up. When he looked up, he saw that the children's house was on           noun MS          . The puppy knew he needed to get help. He ran down the street to the fire station, barking all the way.
