Adam's Mad Lib

On a stormy night I had a _____
On my face even though I was failing at sailing. Usually being on a
boat is a _____ feeling. Like I'd imagine it feels like to be a dancing kitten. _____ fur
flying through the air with such skill. All of a sudden I was _____ in the head by the mast. I used
to think it looked like the thin _____ of a new branch, but after getting hit I'm starting to rethink that
opinion. Right after that, water _____ over the sides and I decided that maybe I should bail on
this whole sailing thing.
