# Coffee Shop

After my \_\_\_\_\_ Number hour shift at work, I decided to get a drink and small snack at the nearby coffee shop.

It was only a \_\_\_\_\_ Number minute walk away from my office, so I grabbed my \_\_\_\_\_ Noun and headed out

the door. The journey was quite \_\_\_\_\_ Adjective, although it was getting dark and \_\_\_\_\_ Adjective outside. I

\_\_\_\_\_ Verb - Past Tense past \_\_\_\_\_ Noun - Plural \_\_\_\_\_ Verb - Present ends in ING, \_\_\_\_\_ Group of People

\_\_\_\_\_ Verb - Present ends in ING, and a few stray \_\_\_\_\_ Animal (plural), and I finally arrived at the cozy shop.

I accidentally \_\_\_\_\_ Verb - Past Tense the door even though it clearly said "pull." That was embarrassing, but I

continued into the shop and \_\_\_\_\_ Verb - Past Tense towards the cash registers anyways. There were

\_\_\_\_\_ Number people in front of me in line so I browsed through the \_\_\_\_\_ Adjective wall menus. It was hard

choosing between the \_\_\_\_\_ Food or Flavour ONE tea and the \_\_\_\_\_ Food or Flavour ONE latte, but the

\_\_\_\_\_ Food or Flavour TWO tea costed \$ \_\_\_\_\_ Number more, so I decided to get the \_\_\_\_\_ Food or Flavour ONE

latte. I wanted to get a slice of \_\_\_\_\_ Food or Flavour THREE cake, too.

The \_\_\_\_\_ Adjective person in front of me finally finished ordering and casually went to pick up his order at the

side. I moved up about \_\_\_\_\_ Number steps and was ready to place my order.

"\_\_\_\_\_ Greeting, welcome to Bob's Coffee. What can I get you?" the \_\_\_\_\_ Adjective barista said. I was

mesmerized. He was so \_\_\_\_\_ Adjective and his voice was \_\_\_\_\_ Adjective like \_\_\_\_\_ Noun. His hair was

dark

\_\_\_\_\_  
Colour and so were his \_\_\_\_\_  
Adjective eyes. His name tag was pinned to his uniform and read,  
\_\_\_\_\_  
Bias.' I was so distracted I almost forgot to order!

"Uh, I'll have a... a... \_\_\_\_\_  
Food or Flavour TWO latte... please," I said, a bit \_\_\_\_\_  
Adverb, "and a slice of  
\_\_\_\_\_  
Food or Flavour THREE cake, too."

"Alright!" The cash register's buttons made a \_\_\_\_\_  
Sound sound as \_\_\_\_\_  
Bias pressed them with his  
\_\_\_\_\_  
Adjective fingers. "That'll be \$ \_\_\_\_\_  
Number, please."

My hands were \_\_\_\_\_  
Adjective as I \_\_\_\_\_  
Verb - Past Tense him the cash. He smiled and \_\_\_\_\_  
Verb - Past Tense  
the money. His \_\_\_\_\_  
Body Part - plural brushed against mine! I was blushing \_\_\_\_\_  
Colour. I caught a glimpse  
of Wonwoo and he was blushing \_\_\_\_\_  
Colour, too. It was \_\_\_\_\_  
Adjective!

"Thanks," he said, \_\_\_\_\_  
Adverb. "Your order will be ready soon."

After about \_\_\_\_\_  
Number minutes of waiting, which was a bit longer than usual, I got my \_\_\_\_\_  
Food or  
\_\_\_\_\_  
Flavour TWO latte and cake.

I knew I didn't have a chance with \_\_\_\_\_  
Bias, so I just grabbed my food and sat at a table far, far away. I  
observed my drink as it was still too hot to drink. To my surprise, there was some \_\_\_\_\_  
Adjective writing on  
the side of the cup. It said,

"Hey... I'm the barista, \_\_\_\_\_  
Bias. You seem like a really \_\_\_\_\_  
Adjective person & \_\_\_\_\_  
Food or Flavour  
\_\_\_\_\_  
TWO

latte is my favourite! Wanna talk after my shift? :)"

Did I really just read that? And how was he able to write so much on a small cup? Nonetheless, I was so

\_\_\_\_\_ Adjective \_\_\_\_\_.

I took a small bite out of my \_\_\_\_\_ Food or Flavour THREE \_\_\_\_\_ cake as I excitedly waited for \_\_\_\_\_ Bias \_\_\_\_\_ to finish his shift. This was definitely my favourite coffee shop, ever.
