

helen

1. Noun
2. Adjective - Ends In Est

helen

I wish to take a moment to thank you for _____ Noun leading to your gratitude. You should know that I am
_____ Adjective - Ends in EST grateful. Your action shows a remarkable level of virtue or quality. While lesser
individuals would have merely inferior action, you chose to recipients superior action. I am honoured to have
such a complimentary adjective human being as title of recipient. To express the true extent of my appreciation,
I would have to extreme act of generosity. Well done! Sincerely your relationship to recipient, your name.
