# When I grow up

Many Noun - Plural ago, when I was just a little Noun, my mother First Name of a Person said

" First Name of a Person, you can Verb - Base Form whatever you want when you grow up". I took her

Adjective words Adverb, so for Number years now I have Verb - Past Participle my

own Noun factory. I have Number good employees which help the business produce the

Adjective - Superlative quality Noun year after Noun. When people learn what I do for a

living a lot of them say " Silly word!" but I think my job is Adjective. It is my dream to one day

run the Adjective - Superlative Noun production plant in Place, and I am sure that with a bit

of Noun and a lot of Noun, I will get there (thanks to my Adjective mother).
