Life's Lesson

When I was years old, my parents took my brother and I to the We went that
year because the <u>Location</u> was promising a live <u>Animal</u> as the climax of the show. This was a
Adjective deal because I was 5 and Animal (plural) were still Adjective. We sat in our
Noun for over an hour eating Adjective Noun and waving around our Adjective
fiber optic <u>Adjective</u> <u>Noun</u> flash lights. Finally, the time arrived and out came a <u>Noun</u>
with a <u>Noun</u> attached to its forehead. That day I learned <u>Number</u> important <u>Noun - Plural</u>
: Animal (plural) aren't Adjective and the will do most anything to get your
Noun
