Kuchar Libs

In the morning there was a slight Noun but the Noun was out so the weather was quite Adjective. It was pretty Adjective all throughout the day on Friday. However, when Saturday arrived, the Noun became really Adjective. All of a sudden the Noun dropped and there were strong Noun - Plural. I was nearly knocked off of my Noun - Plural and my Noun broke from how strong the Noun was. On Sunday, it actually Verb - Past Tense! It was Adjective! I could not believe that it was Verb - Present Tense in April. I really hope that the rest of the week we'll have better Noun than the weekend. I really prefer when it is Adjective outside, although I do not mind a bit of Noun. A warm Noun is always nice to look forward to.
