MadLib your own Creation Story!

In the beginning there was nothing but _____Noun_____. Suddenly there was a great _____Verb - Base Form_____ of

_____Noun_____ and _____Name one_____ appeared. **Repeat Last** Name one stretched out it's _____Noun - Plural_____, and

from them the universe as we know it was created. **Repeat Last** Name one decided it wanted to create on a planet,

so it came to _____Planet Name_____ and said "I want _____Noun- something good_____," and **Repeat Last** Noun- something good

appeared. **Repeat Last** Name one continued to do this creating everything good we know until it grew

_____Adjective_____ and left **Repeat Last** Planet Name . While **Repeat Last** Name one had left **Repeat Last** Planet Name his

brother _____Name Two_____ appeared, **Repeat Last** Name Two was the exact opposite of **Repeat Last** Name one in

every way. **Repeat Last** Name Two saw all of **Repeat Last** Name one 's creations on Earth and grew very

_____Adverb_____, so it raised it's _____Noun - Plural_____ and said "you have _____Noun- something bad_____" and **Repeat Last**

Noun- something bad appeared. **Repeat Last** Name Two continued creating everything bad we know until it grew

_____Adjective_____ and left **Repeat Last** Planet Name . **Repeat Last** Name one and **Repeat Last** Name Two never again

returned to **Repeat Last** Planet Name , because of their dislike for each others creations, and that was how **Repeat Last**

Planet Name was created.
