Why google is watching you

Google seems at the surface like a _____ Adjective company. But in reality they're as _____ Adjective as ever.

Google saves your stuff and have no _____ Verb - Present Tense _____ Pronoun it to _____ Noun - Plural

companies.

Your _____ Noun and _____ Verb - Past Participle is sent to _____ Noun for cash, and they start

_____ Adverb ads everywhere you _____ Preposition or subordinating conjunction often.

So they might be the best _____ Coordinating conjunction _____ Pronoun, but they are just as _____ Noun as the

rest.
