Geography of the \_\_\_\_\_ Proper Noun Crescent

A desert climate dominates the landscape between the \_\_\_\_\_ Proper Noun Gulf and the

\_\_\_\_\_ Proper Noun Sea in Southwest Asia. Yet within this dry region lies an arc of

land that provided some of the best farming in Southwest Asia. The region's

\_\_\_\_\_ Adjective shape and the richness of its land led scholars to call it the \_\_\_\_\_ Proper Noun

Crescent. It includes the lands facing the Mediterranean Sea and a plain that

became known as Mesopotamia. The word in

Greek means "land between the \_\_\_\_\_ Noun."
