Not a "dad of the year"

One year, when I was five, on an annual family reunion _____ Adjective trip, I was _____ Adjective damaged.

It all started when my dad, whom I _____ Verb - Past Tense more than anyone in the world, had just come back from _____ Verb - Present ends in ING. Somewhere between my _____ Noun and that very moment, he clearly had a _____ Adjective lapse in judgement on who I was. I like to believe this was caused from _____ Adjective _____ Noun because despite this moment in time, he is an _____ Adjective human being and _____ Family Member.

He calls me over while he was _____ Verb - Present ends in ING and _____ Verb - Present ends in ING the _____ Noun.

No harm in that, right? WRONG! This man... This highly _____ Adjective and _____ Adjective man decides to show me how " _____ Adjective " it is when you _____ Verb - Base Form a _____ Noun in half... Both ends kept _____ Verb - Present ends in ING around. Scarred-For-Life! I don't really remember what my exact reaction was, but I know I was mainly eating _____ Noun and _____ Noun - Plural for the rest of the trip and I have not eaten any type of _____ Noun ever since.
