A Day in the Life of a Resource Parent

Our family set off on this journey of foster/adoptive parenting what seems like _____ Number years ago! In the beginning, I thought this would be a _____ Noun-something happy. It only took _____ Number minutes to realize that was not true! In the first year, I replaced the _____ Household Item, _____ Household Item, and _____ Number _____ Household Item in my house. I had no idea what a _____ Adjective adventure I was in for! It seems like I have taken care of _____ Number children now. All of the _____ Household Chore-Present Tense, _____ Household Chore-Present Tense, _____ Household Chore-Present Tense, and _____ Household Chore-Present Tense are well worth it. The love I have for these kids would overflow a/an ocean. Every day is a challenge, but I wouldn't trade this life for \$ _____ Number!
