Anna's Big Gift

It was her 10th birthday and Anna woke up early in the morning and was very Adjective. She knew she was having Food for her family dinner birthday celebration. Unfortunately, Anna would have to go to place first. However, Anna would enjoy seeing her friends First Name of a Person, First Name of a Person and First Name of a Person at school. Her teacher Mrs. Hamilton would be Adjective to her too. After Event she would come place and spend some time with Grandpa Don going to do Event. Then, she would have her Adjective meal, Food and Food. There would be about 10 people at her house to celebrate with her. They would light the candles and sing happy birthday to her. Anna was already licking her lips because she could just action all the Adjective and Adjective icing on the cookie cake. Her Dad had action the action with a Adjective horse head. All of that was really great but what would make this day the best day ever is that Anna's big gift was a week at horseback riding camp. She was so excited and it almost made her pee her pants!
