Love Yourself

Dear Your Name ,

Do you remember that little survey you took at TheatreWorx? Well this is what it was for.

You call yourself One trait you like about yourself (ex. Humourous, Smart, and loyal) , One trait you like about yourself (ex.

Humourous, Smart, and loyal) , One trait you like about yourself (ex. Humourous, Smart, and loyal) , One trait you like about yourself

(ex. Humourous, Smart, and loyal) , and One trait you like about yourself (ex. Humourous, Smart, and loyal) but I also know that you

think you are One trait you dislike about yourself (ex. Annoying, boring) , One trait you dislike about yourself (ex. Annoying, boring) ,

and One trait you dislike about yourself (ex. Annoying, boring) but in reality you are so much more than those little words,

because those words mean nothing. I want you to hear from yourself I LOVE YOU Number of times in a day

you would say I Love You to a loved one times today and everyday after. If you ever feel down about yourself thinking

you cannot do anythings remember accomplished What is an accomplishment you are proud of (ex. Learning to ride my bike,

Passing my english exam) ? That must've felt awesome! So always remember to try to feel good about yourself and

love yourself whenever you feel down. You are beautiful for so many different reasons so don't let little things

bring you down! You can get through it.

If you know someone who needs to hear this message today, simply tell them they are important and should care

about themselves. You never know who you could save today.
