## The Water

There are ants in my pocket from lying on the floor. I have been watching these two <u>Noun</u> for the past 2 hours. A couple years ago the FBI recruited me because of my select skills. My very <u>Adjective</u> talent is <u>Verb - Present ends in ING</u> water around me. This is why I always sling a ginormous water pouch around with me. I can shape water into whatever shape or size I want too, and I can even <u>Verb - Base Form</u> it. These two <u>Noun - Plural</u> that have been confirmed to be part of ISIS are my target. My job is to capture them no matter the cost. I jump up and <u>Conjunction</u> and all I can hear are <u>Verb - Present ends in S</u>.
