# Family Box

There are ants in my pocket from laying on the floor. I don't exactly know how they got in my house, but they did. I want to get them out as soon as possible, but it will be hard. They are being very Adjective, and I can't take it anymore. I went to my room and Verb - Base Form, then I set out on a great adventure. It was a sunny, hot, and sticky day in Proper Noun, but there was supposed to be rain later. I met my friend Joe and we set out to cause trouble. First we went into town and got ice cream, then we went to the Noun and went swimming. We didn't expect anything out of the normal, but that day was Verb - Present ends in ING but normal.
