Angels vs Devils

All the angels in the sky, acting so shy. Let them come down and feel my fire. I bet I could beat them if I was retired. They got no might. I'm sick just by their sight. Look I got no rivals. They died from my arrival. Listen to me I'm about to annihilate, waiting for me to destroy you but you always show up to the battle late. I'm tired of your stupid antics. All of us devils at _____ Verb - Base Form have some tactics. You're too scared to fight me, you just got to see, so angels what you got , or do I have to wait till you rot.
