Frank O'Hara

Have you forgotten what we were like then		
when we were still Adverb Adjective		
and the came came with an apple in its mouth		
it's no use Verb - Present ends in ING about Abstract noun		
but we did have a few tricks up our sleeves		
and turned some Adjective corners		
the Noun looked like our meal we didn't need Noun - Plural		
we could Verb - Base Form Noun - Plural out of noun and Noun		
I wouldn't want to be Adjective - Ends in ER		
or Adjective - Ends in ER than now if you were with me		
you were the Adjective - Ends in EST of all my days
