# Minecraft poem

My Minecraft Proper Noun has a big, mossy tree Noun.

It has a water Adverb, too, with slides big and short.

I built a hidden Noun inside a water fall.

I also have a party Noun, where I have a ball!

Next to my Adjective, there is a Adverb,

Down deep underground, it is very scary.

I have a Noun that's snowy and cold.

There's a pyramid on water made of diamond and gold.

In the middle of my land, there's a huge power source,

And

everybody's houses, including mine of course!
