Bran & The Wildlings

"The pin, lad," the Adjective man said. He held out his Part of Body.

"We'll take the horse too," said another of them, a woman shorter than Robb, with a broad fiat face and lank yellow hair. "Get down, and be quick about it." A knife slid from her sleeve into her hand, its edge jagged as a saw.

"No," Bran blurted. "I can't."

The big man grabbed his reins before Bran could think to wheel Dancer around and gallop off. "You can, lordling... and will, if you know what's good for you."
