# Banana Mayhem

What a Adjective day today. The Noun is Verb - Present ends in ING behind Adjective

storm Noun - Plural, the sky is Colour, and once in a while I hear Adjective

Noun - Plural. I'm tired of all this happening. To my Adjective luck, it's just something that happens every Noun.

I look out of my Room in house Noun. Everything is just Same colour! At least our Noun - Plural are getting a boost with all that Noun that comes down. It's Adverb

Adjective, too. I mean, it's almost Season, so that's not Verb - Present ends in ING!

I'm just about to leave my Noun when I see something Colour poking out of a Adjective Noun. Same colour. What? I stay and Verb - Base Form closer. I'm not Verb - Present ends in ING. It's definitely there, and it's definitely Same colour!

I don't want to Verb - Base Form. I don't want to Verb - Base Form. I'm afraid I'll Verb - Base Form it, so I stay exactly where I am, without Verb - Present ends in ING or Verb - Present ends in ING.

It suddenly Verb - Present ends in S, through the Colour sky. It's such a Noun in that Adjective Noun. It's a banana! A banana Same verb but ending in ing through the Noun! What?! Am I really Verb - Present ends in ING this? I go to grab my Noun to take a Noun. I Verb - Base Form it before it's too Adjective.

I guess I didn't have to worry about Same verb but ending in ing.

Bananas are now Verb - Present ends in ING through the Noun everywhere! It's such a Part of body

\_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ Noun when they \_\_\_\_\_ Verb - Base Form your \_\_\_\_\_ Noun. I take a few  
\_\_\_\_\_ Noun - Plural and then it \_\_\_\_\_ Verb - Present ends in S.

The \_\_\_\_\_ Noun is \_\_\_\_\_ Adjective now, so are the \_\_\_\_\_ Noun - Plural. When I tell \_\_\_\_\_ Noun - Plural,  
they will never believe me. Unless they \_\_\_\_\_ Verb - Past Tense it.

I'm almost certain this wasn't a \_\_\_\_\_ Noun !
