# Doing Homework At School

Oh no! I am supposed to be in \_\_\_\_\_ Noun \_\_\_\_\_ right now, but I'm looking at my homework \_\_\_\_\_ Noun \_\_\_\_\_. It's due tomorrow, and none of it's done, because I didn't have enough time. And it's \_\_\_\_\_ Time of day Eg Ten O Clock etc \_\_\_\_\_:

I should \_\_\_\_\_ Adverb \_\_\_\_\_ be in \_\_\_\_\_ Noun \_\_\_\_\_.

But I don't know what my \_\_\_\_\_ Person Eg Bus driver Teacher etc \_\_\_\_\_ will say! I'll have to make a few \_\_\_\_\_ Noun - Plural \_\_\_\_\_.

Or I could do it tomorrow \_\_\_\_\_ Time of day Eg Afternoon Morning etc \_\_\_\_\_. No, no, I'm not a \_\_\_\_\_ Same Time of day \_\_\_\_\_

\_\_\_\_\_ Noun \_\_\_\_\_. My \_\_\_\_\_ Part of Body \_\_\_\_\_ will still be in sleep mode in the \_\_\_\_\_ Same Time of day \_\_\_\_\_, after I get out of  
\_\_\_\_\_ Noun \_\_\_\_\_.

So I don't have any chance to finish it. Wait - I have a \_\_\_\_\_ Noun \_\_\_\_\_! Maybe I could take the homework to  
\_\_\_\_\_ Place \_\_\_\_\_ and catch up on it there. I'll bring it out at \_\_\_\_\_ Time of day Eg Ten O Clock etc \_\_\_\_\_, and get some help  
from my \_\_\_\_\_ Noun - Plural \_\_\_\_\_, and then I'll do it. \_\_\_\_\_ One-word exclamation \_\_\_\_\_! That sounds like a \_\_\_\_\_ Adjective \_\_\_\_\_  
\_\_\_\_\_ Noun \_\_\_\_\_.

The next day at \_\_\_\_\_ Same place \_\_\_\_\_, I brought out my homework from my \_\_\_\_\_ Noun \_\_\_\_\_ and put it in my  
\_\_\_\_\_ Noun \_\_\_\_\_. I \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ to class and \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_, ready to expect anything.

Homework was due in \_\_\_\_\_ Noun \_\_\_\_\_ Number \_\_\_\_\_, so I have plenty of time.

When it was time for \_\_\_\_\_ Same Time of day in O Clock form \_\_\_\_\_, I got my homework and my \_\_\_\_\_ Noun \_\_\_\_\_. I met up  
with my \_\_\_\_\_ Same plural noun \_\_\_\_\_ and we \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ outside together.

So, if Number + Letter = Number, what is the value of Same letter? I ask myself

aloud. 'The value of Same letter is Number, I think.' one of my Same plural noun says. "No,

it's Number!" another Verb - Present ends in S. They Verb - Base Form for a while, until the

Same plural noun but singular eg if your plural noun was watermelons you write watermelon whose number was Same number

wins. I write Same number in my homework.

A while later, I have Number activities done, only Number to go. In Number

Type of time plural Eg Hours Minutes etc!

My Same plural noun and I Verb - Base Form to complete my homework. We get it done, and so when

the Noun Verb - Present ends in S I Verb - Base Form to class, hand the homework in and

Verb - Base Form.

My Same person checks it over, and then Adverb calls my Noun. I get Feeling

and Verb - Base Form, and I Verb - Base Form to the Same person. What could have

Adverb happened to make Her or His depending on gender of previous person so Feeling?

'I DON'T WANT TO SEE THIS!' She or he depending on gender of previous person Verb - Present ends in S,

Verb - Present ends in ING the book to me. I look at it, Feeling, and - oh no! It's my Noun, not

my homework! Where's my homework? Oh, no, gosh, please don't be what I'm Verb - Present ends in ING...

When the Noun went, I threw my Same noun in the Noun because it was

Adjective and Adjective. And if it's here, then... Exclamation!!!
