# One summer day

One hot summer day, Danielle came down from Cuba City and gave us a \_\_\_\_\_ Adjective \_\_\_\_\_ of what she has been up to. Ashley and I were very \_\_\_\_\_ Adjective \_\_\_\_\_ and told her all about what has been happening in Geneseo. Then a song came on the radio and Ashley tried to \_\_\_\_\_ Adjective \_\_\_\_\_ even she isn't the best at dancing. After a while a bunch of people came over to see Danielle. She was very \_\_\_\_\_ Adjective \_\_\_\_\_ since she hadn't seen some people since last summer. There were so many people it was a \_\_\_\_\_ Adjective \_\_\_\_\_ party. No one was being a \_\_\_\_\_ Adjective \_\_\_\_\_. Everyone was dancing and Danielle did her \_\_\_\_\_ Adjective \_\_\_\_\_ dance move. The music was very \_\_\_\_\_ Adjective \_\_\_\_\_. Then Aahley brought out an \_\_\_\_\_ Adjective \_\_\_\_\_ eight foot cake that said, "Welcome home Danielle". When people started leaving they all \_\_\_\_\_ Adjective \_\_\_\_\_ their goodbyes and told Danielle they would miss her. Over all it was a great summer day.
